Pickup and Return Location Form

The screenshot shows a web application window titled "Location Details". Inside the window, there is a form titled "Choose Your Pickup Location". The form is divided into two main sections: "Pickup Location" and "Return Location". Each section contains a "Choose Area" dropdown menu and a "Specific Address" text input field. A "Search" button is located at the bottom center of the form. A checkbox labeled "Same as pickup location" is positioned below the "Return Location" section.
